Dear Sir:

Please enter the substitute drawings herewith – where we have deleted Figs. 3c and 3d on page 4, but retained Figs. 3d and 3d on page 5, as only the Figs. 3d and 3d on page 5 are described in the specification. Figs. 3c and 3d on page 4 should not have been included with the application. Also please enter the amendment to the specification on the following page, which makes the description of the drawings consistent with the drawing figures (and has been required in related allowed and issued applications).

Respectfully Submitted,
